DESCRIPTION OF SECURITY ARRANGEMENTS

The below is a brief description of the security arrangements in respect of the Senior Secured Notes contemplated in this Applicable Pricing Supplement (the **Senior Secured Notes**) and does not purport to form part of the Terms and Conditions.

**Security Structure Diagram****1 Interpretation**

Terms used but not defined herein have the meanings set forth in the Terms and Conditions. In addition, for purposes of this Appendix "A" (*Description of Security Arrangements*), the following defined terms shall bear the following meanings:

- 1.1 **Cession in Security** means the cession in security concluded or to be concluded between the Issuer and the Debt Guarantor pursuant to which the Issuer cedes *in securitatem debiti* its rights in and to the Lease Agreements, Lease Payments, Insurance Policies and Insurance Proceeds (all as defined therein) in favour of the Debt Guarantor as security for the obligations of the Issuer under the Counter Indemnity Agreement;
- 1.2 **Counter Indemnity** means the counter indemnity agreement concluded or to be concluded between the Issuer and the Debt Guarantor pursuant to which the Issuer indemnifies the Debt Guarantor against any loss, costs or liability which the Debt Guarantor may incur as a result of or in connection with, *inter alia*, the Debt Guarantee;
- 1.3 **Debt Guarantee** means the written guarantee granted by the Debt Guarantor in favour of the Trustee, for the benefit of the Senior Secured Noteholders pursuant to which the Debt Guarantor irrevocably guarantees the obligations of the Issuer under the Senior Secured Notes;
- 1.4 **Debt Guarantor** means Accelerate Security SPV (RF) Proprietary Limited, a private company incorporated under the laws of South Africa with registration number 2011/100034/07 and wholly owned by an owner trust with its main business being that of a property security company;
- 1.5 **Debt Guarantor Security** means all the security interests conferred upon the Debt Guarantor pursuant to the Cession in Security and the Mortgage Bonds;
- 1.6 **Mortgage Bonds** means the first ranking continuing covering mortgage bonds registered or to

be registered by the Issuer in favour of the Debt Guarantor over each of the Secured Properties. On the redemption or repayment of the Senior Secured Notes, or the disposal of a Secured Property in accordance with the Terms and Conditions of the Senior Secured Notes, the Mortgage Bonds (or any of them) will be cancelled;

- 1.7 **Senior Secured Noteholders** means the registered holders of the Senior Secured Notes as recorded in the Register and **Senior Secured Noteholder** means, as the context requires, any of them; and
- 1.8 **Trustee** means the Trustee for the time being of the Accelerate Senior Secured Notes Trust, being as at the Issue Date, Maitland Group South Africa Limited.

## 2 Description of Security Arrangements

- 2.1 The Senior Secured Notes constitute direct, senior, unconditional and secured indebtedness, but rank *pari passu* amongst themselves and *pari passu* with any indebtedness incurred to the Permitted Term Facility Lenders and the Permitted Hedging Counterparties.
- 2.2 The obligations of the Issuer under the Senior Secured Notes will be directly guaranteed and indirectly secured as set out below.

## 3 Direct Guarantee

The Debt Guarantor has irrevocably guaranteed, by way of first ranking guarantee, ranking *pari passu* with the Debt Guarantee (Permitted Hedging Counterparties) and the Debt Guarantee (Permitted Term Facility Lenders), all of the Issuer's obligations to the Trustee and the Senior Secured Noteholders under the Senior Secured Notes.

## 4 Counter Indemnity and Security

- 4.1 In terms of the Counter Indemnity, the Issuer has indemnified the Debt Guarantor against any loss, costs or liability which the Debt Guarantor may incur as a result of or in connection with the Debt Guarantor Guarantees (as defined in the Counter Indemnity).
- 4.2 The obligations of the Issuer under the Counter Indemnity are secured by:
- 4.2.1 the Cession in Security; and
- 4.2.2 the Mortgage Bonds (if any).

## 5 Risks relating to the Security Structure

- 5.1 As set out above, the Security will not be granted directly in favour of the Senior Secured Noteholders. Instead, the Security will be granted in favour of the Debt Guarantor.
- 5.2 As a result, neither the Trustee (acting for the benefit of the Senior Secured Noteholders) nor the Senior Secured Noteholders will have the right to realise the Security directly. Instead, the Trustee (acting on the instructions of the Senior Secured Noteholders) must in accordance with Enforcement Rights Agreement, request that the Enforcement Agent take Enforcement Action. Notably, the Enforcement Agent may only act (or refrain from acting) on the instructions of Finance Providers whose Voting Entitlements are together not less than 50,1% (fifty comma one

percent). This indirect claim in respect of the Security may result in a delay in realisation or could involve the Finance Providers voting against the realisation of the Security.

Ap

  - 1.1.3 the Debt Guarantor repudiates the Debt Guarantee (*Noteholders*) or evidences an intention to repudiate the Debt Guarantee (*Noteholders*).

**2 Redemption in the event of a breach of the Financial Covenants**

10  

acting as experts and not as arbitrators (taking into account these Additional Terms and Conditions), whose determination will, in the absence of manifest error, be final and binding on the Issuer and the Noteholders.

- 2.4 The cost of such independent auditors resolving such dispute shall be paid by the party whose calculation is shown to be incorrect by the Auditors, provided that if the calculations of both the disputing parties and the Issuer are shown to be incorrect by the independent Auditors, the costs of such independent auditors shall be apportioned amongst the disputing parties and the Issuer by the independent Auditors and the disputing parties and the Issuer shall be liable for such costs in such proportion.
- 2.5 A compliance certificate in respect of (i) compliance with the Financial Covenants as at each Measurement Date and (ii) setting out in sufficient detail a description of the Secured Properties as at each Measurement Date, signed by 2 (two) directors of the Issuer, one of which shall be the Financial Director, will be available for inspection by the Noteholders, during normal office hours, at the registered office of the Issuer as set out at the end of the Programme Memorandum, within 90 (ninety) days of each Measurement Date.

- 2.8 Promptly upon expiry of the Remedy Period, the Issuer shall give a notice to the Noteholders (**Breach Notice**) in accordance with Condition 16 (*Notices*) of such Breach Event and outline the procedure for exercising the option contained in Condition 2.9 below.
- 2.9 If a Breach Event occurs at any time while the Senior Secured Notes remain Outstanding and following receipt of a Breach Notice, then, provided the Noteholders have:
- 2.9.1 in terms of Condition 16 (*Notices*) issued a notice to convene a meeting of Noteholders within 15 (fifteen) days of the Breach Event; and
- 2.9.2 resolved in terms of Condition 18 (*Meetings of Noteholders*) by way of Extraordinary Resolution to redeem the Senior Secured Notes,

the Issuer shall redeem all the Senior Secured Notes held by the Noteholders at the Early Redemption Amount calculated in accordance with Condition 8.7 (*Early Redemption Amounts*), together with accrued interest (if any) within 15 (fifteen) days of having received a written notice from the Noteholders to redeem such Senior Secured Notes.
